

Sponsorship of the Museum is an arrangement where money is donated and a marketing benefit is gained by the donor in the form of company logo recognition, for example on an exhibit, our website, our newsletter, etc. Being recognized in the Simcoe County Museum or at one of our Fundraising Events as a sponsor provides companies with an opportunity to give back to the community where they do business. The Simcoe County Museum has several sponsorship opportunities available to sponsor events, exhibits, meeting rooms, and buildings on-site.

In 2012, the Simcoe County Museum will be having several fundraising events to raise money for and awareness of the Museum and what it has to offer. Sponsorships for these events help to increase the overall amount raised for the Simcoe County Museum. There are several sponsorship opportunities available for these events listed as follows:
