What is Heritage Fair?

- A national fair program that includes more than 263,000 students across Canada each year

- An opportunity to promote interest in Canadian history and heritage
- A chance for students to share their history knowledge in creative ways
- An opportunity to provide recognition for student achievement

Who participates?

- Selected students from participating Grade 4-9 classes from participating schools (**due to space limitations the Simcoe County Heritage Fair welcomes projects from grades 4-8**)

Why participate?

- Preparing for Heritage Fairs gives students the opportunity to follow an area of interest, develop passion for a topic and share their new knowledge and understanding in ways that are motivating and unique
- The process promotes literacy skills, critical thinking, research skills and supports curriculum expectations
- Participation in a Fair engages citizenship skills and provides an opportunity to network with other students
